

SUPERBLOOM

The FLORA and ECOLOGY of Namaqualand

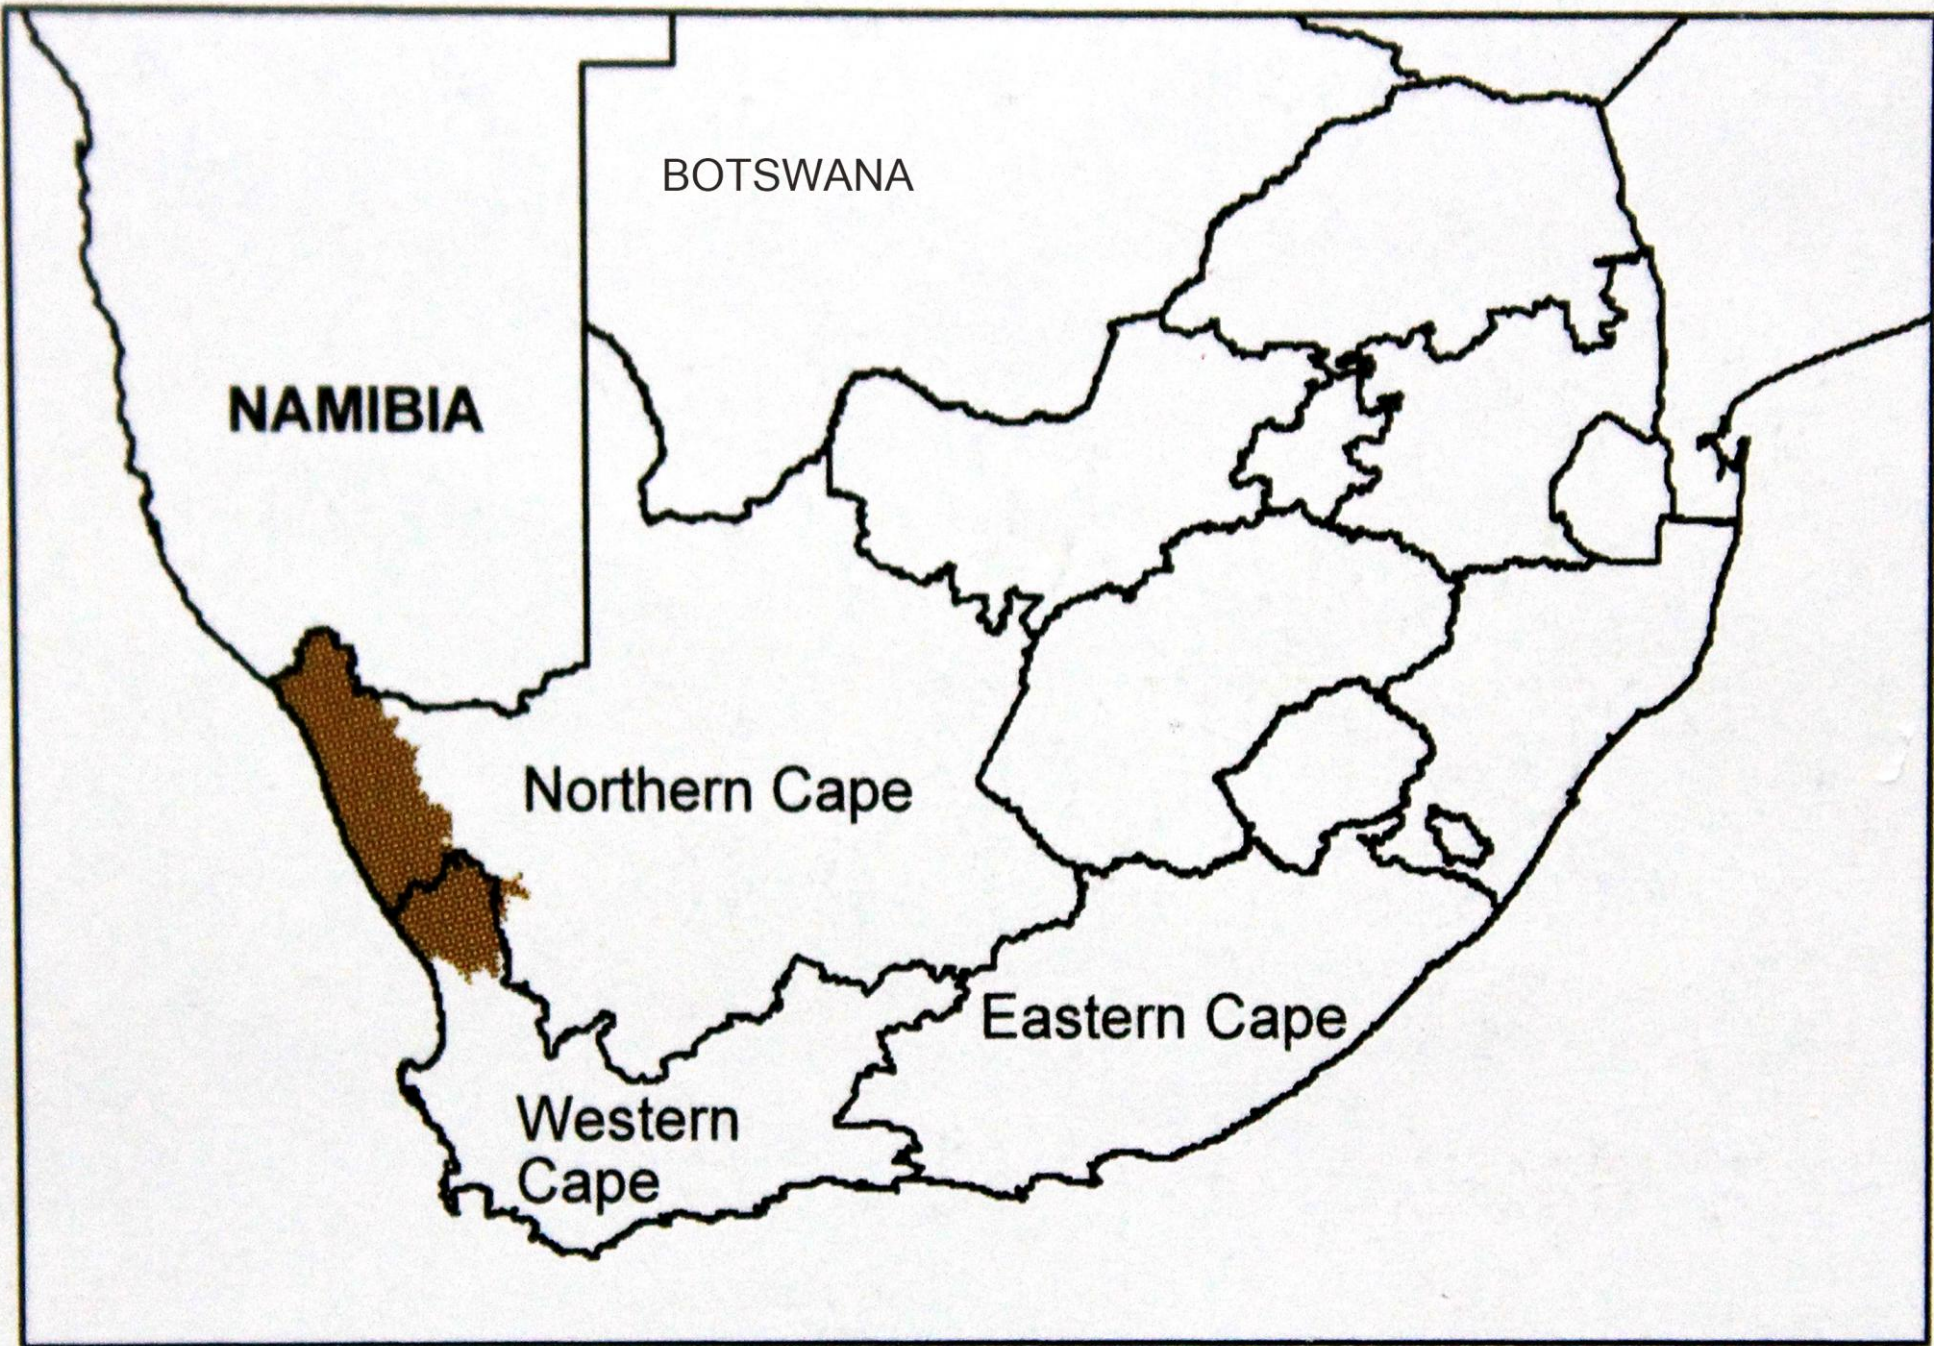

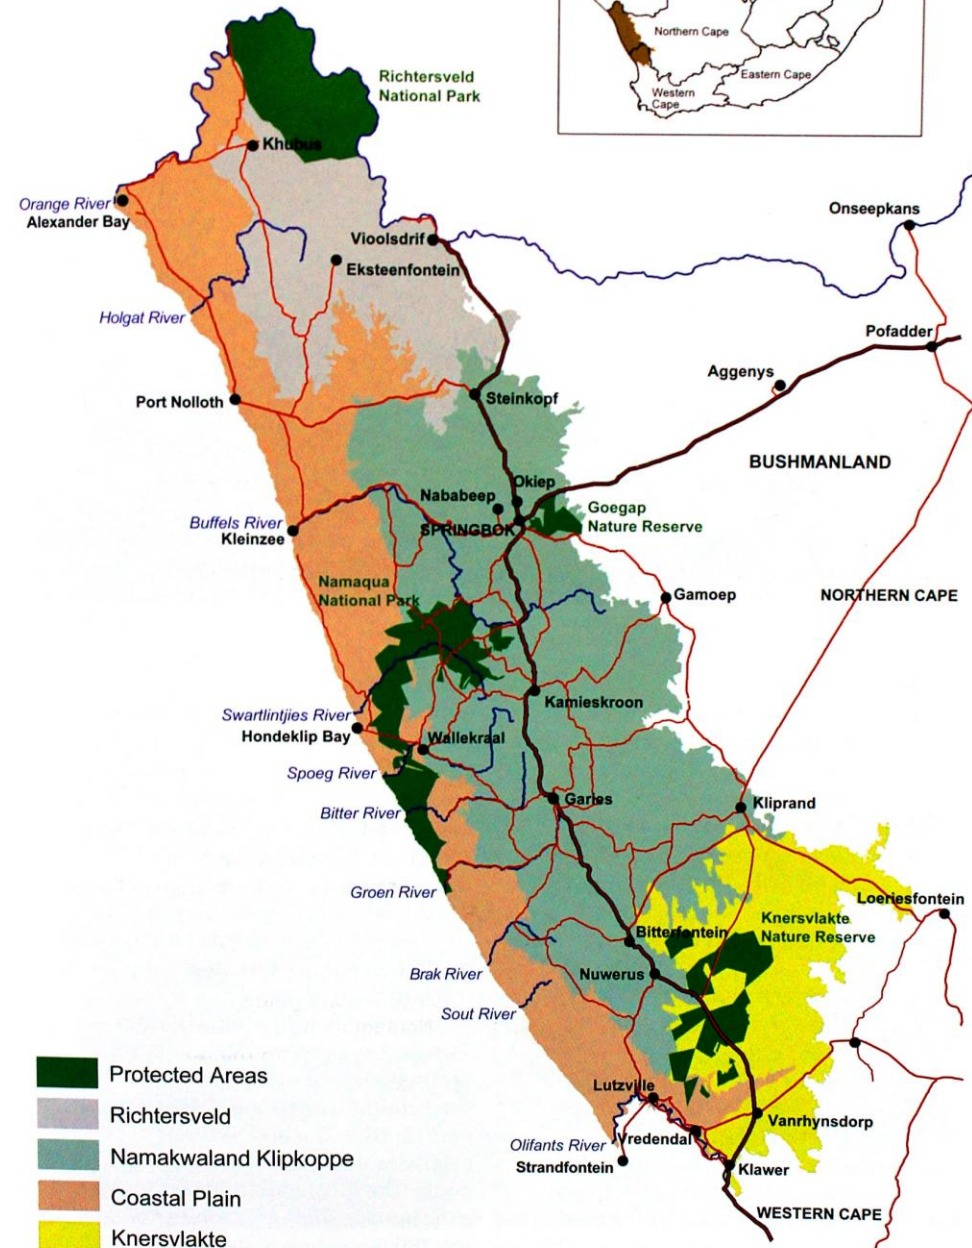

Rain!

The KLIPKOPPE

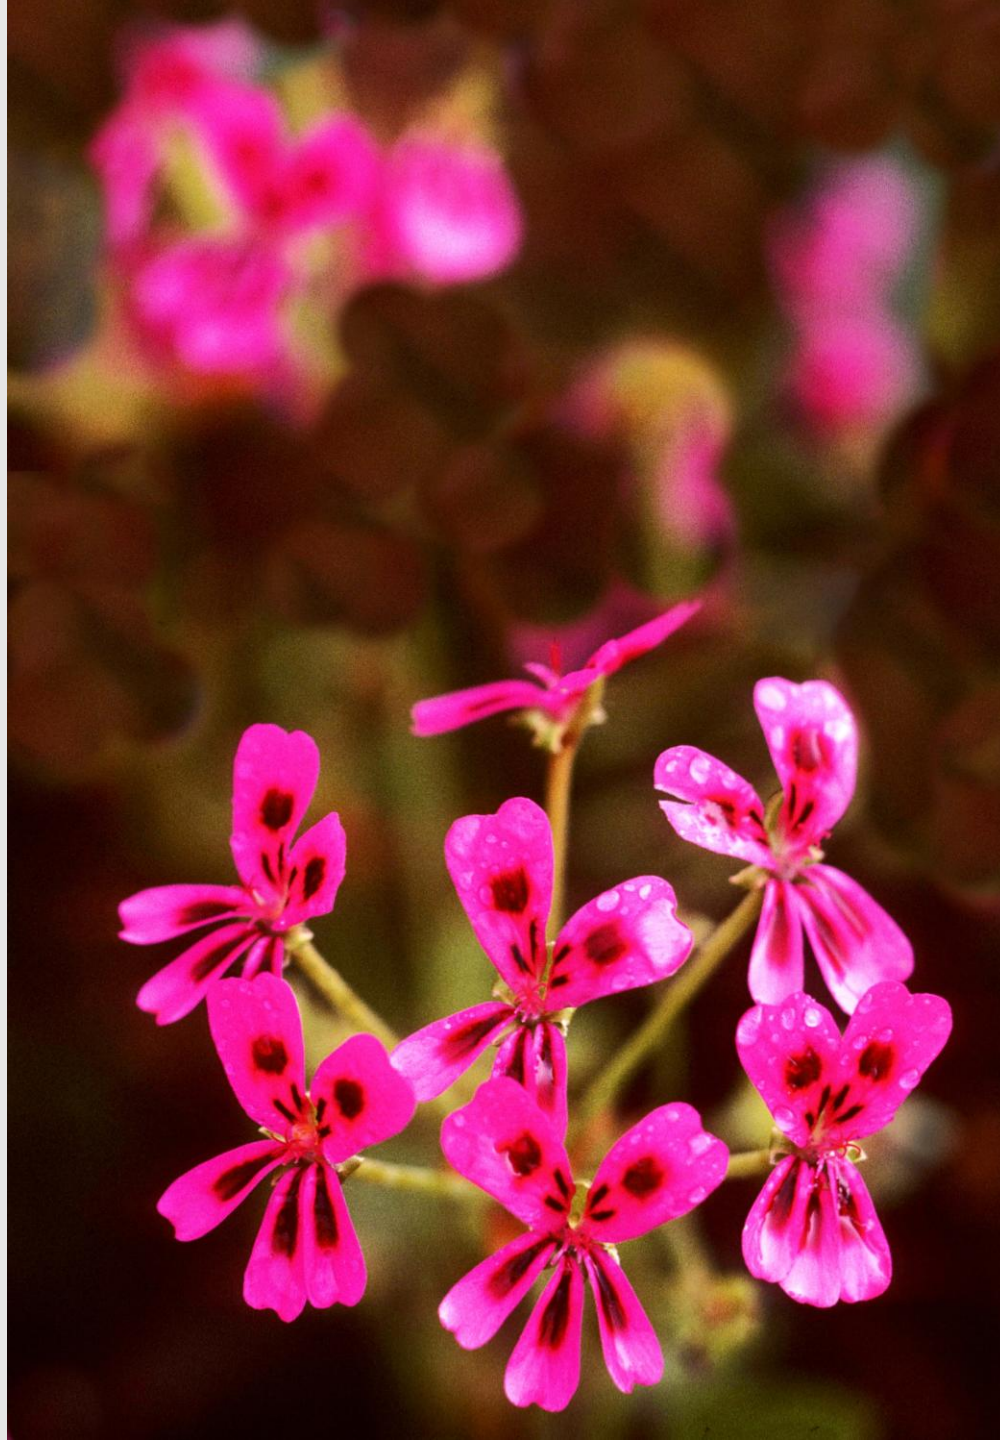

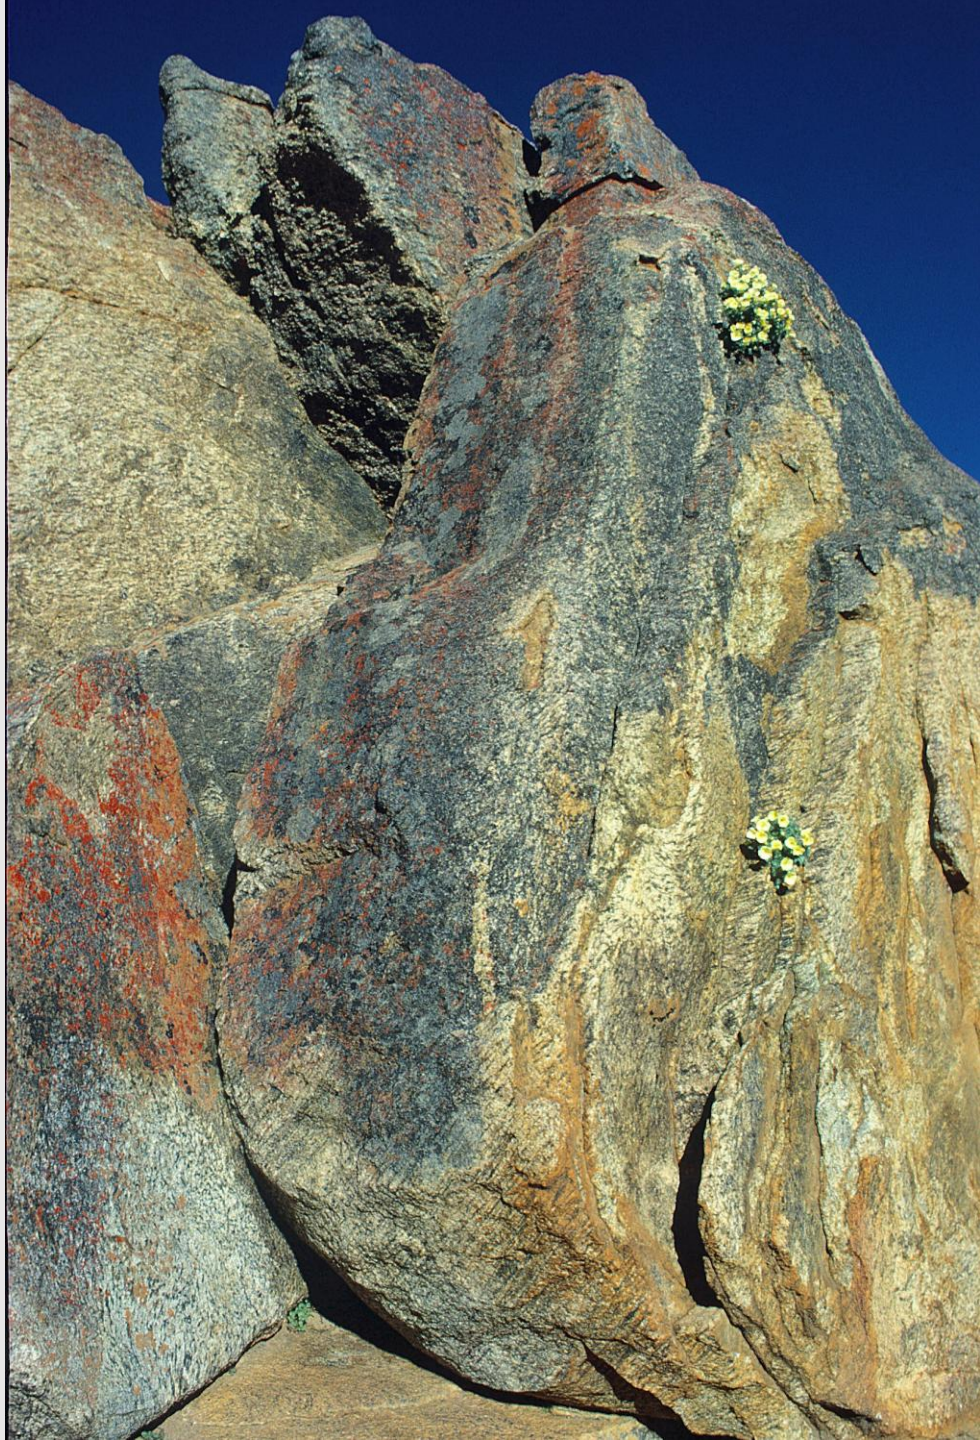

The RICHTERSVELD

The KNEERSVLAKTE

The SANDVELD

A scenic landscape photograph featuring a calm body of water in the foreground, reflecting the surrounding environment. The water is bordered by large, dark, textured rocks. A cluster of bright yellow-orange flowers grows from a crevice in the rocks, with their reflection clearly visible in the water. In the background, a range of mountains is visible under a soft, hazy sky. The overall color palette is dominated by the blues and greys of the rocks and water, the vibrant yellow of the flowers, and the muted tones of the distant mountains.
