# **ABOUT F-STOP CAMERA CLUB**

F-Stop is not just a club for serious Photographers or people with expensive cameras; it is a club which has been specifically de-signed to help beginners to progress with their photography. We meet once a month on the second Wednesday at the Church hall in Highveld street, Kempton park. We use the entrance in Gardenia road at 19:00pm to start at 19: 15pm aim is to bring people together to learn, share and have fun with photography.

If you want to take better pictures, attend Workshops and Rallies, enter your pictures and listen to the Judge's comments then we are the Club for you. Here is also a short summary of what to expect to see at our club. Should you have any further queries please do not hesitate to speak to one of our committee members.

Opening of the Meeting: The Chairman will open the meeting and discuss the latest happenings and upcoming events. The judge will then be introduced, and he/she will present a short lecture with examples of his/her own photos when applicable. After this judging of images will start. The points will be given as "Bronze, Silver, Gold or COM". The judge will also give you feedback on how your photos can be improved to obtain higher points in future, where necessary.

We will take a break, for coffee and tea, depends on how many images for the evening, normally it will be round about 20:30pm, then judging will continue.

Definitions: STAR: This indicates the level that the club member is on. (For example – you will start as a One Star worker). AWARD: Our judge for the evening will call out one of the following awards: "Bronze, Silver, Gold or COM – Certificate of Merit. See more details on Judging and scoring and Star criteria pages.

A Beginner photographer starts off as a 1 star and then progresses to a 5 star working on a point system. Photos may be entered in Digital and/or Prints allowing for 3 photos and a Theme in any of the designated categories, Nature, Pictorial, Altered reality, Photo Journalism and Portrait (explained in the magazine). There is no pressure, you can progress at your own pace, and we are all very relaxed at the club.

Awards: CERTIFICATE OF MERIT (COM): is the highest award = 5 points GOLD AWARD: 3 points SILVER AWARD: 2 points BRONZE AWARD: 1 point Set Subject for the Month: There is a set subject competition that is held each month. The subject is a different topic each month and each member can enter one entry as an e- photograph. The judge will pick a winning photo from the 1 - 3-star workers and one winner from the 4 – 5-star workers. The extra points will be added to your grading sheets. Photography Winners: Once all the photos have been displayed a winner will be selected by the judge for each star rating. We have a scoring table explaining the size of your images, and all the specific criteria's in our monthly magazine. We send the winning photos to the Kempton express local newspaper for publication if they have space before publication. The winning image will also be published in the club newsletter / magazine.

We would like to take the opportunity to thank you for showing interest in our club by downloading our Free digital magazine, for you to browse through and we are looking forward to you possibly joining with our club.

## FROM THE DESK OF THE PRO

They say in South Africa, March is considered 'Goldilocks Season' especially for visiting Kruger National Park and other northern game parks. The temperature is not too hot nor too cold. It's just right! Colourful migratory birdlife is still in residence. And the big cats have started to come out of the shade in the daytime.

It is also, they say, the beginning of the Autumn harvest, the ideal time to visit the Winelands. The vineyards bask in warm, sunny weather, and the vines are beginning to turn to crimson and gold. WOW! time again to start taking great images and thinking of another little break before the weather changes too much.

## MONTHLY COMPETITIONS

Our monthly competitions always inspire the judges and give them a difficult task when having to choose the winners. Some clubs share the entries some months to their members which is very positive and encouraging as it lets our members see and enjoy the work being produced around the country as well as giving us new ideas of different ways and perspectives to capture these special moments.

You can click on the images below to see the winning image enlarged on the PSSA website with the 1st and 2nd runners-up in each category.

Please read all the stories attached to the winners as this is a learning curve for all of us in photography.

We are still very anxious to hear from the winners how they use their voucher for R500 that they receive every month from Print Wild - one of PSSA's sponsors. Our sponsors, Print Wild are so enjoying the images every month and PSSA is very grateful for this sponsor.

## SALONS

The Salon Committee has requested that the following be reiterated to all Salon Directors who are hosting Salons this year -

*"As of 1st January 2022, the Salon Director will always request the original RAW file(s) with the EXIF data intact from those Entrants who have been initially selected for the Medals and COM's in the "NO MANIPULATION" categories.*

*If the Salon Director confirms that the image has not been manipulated, then the award will stand for those Entrants. If the Salon Director confirms that an image has been manipulated, then the image will be disqualified and a note recorded for the PSSA Salon Administrator of the disqualification reason.*

*The PSSA Salon Administrator will keep a list of transgressors which will be reviewed by the PSSA Salon Committee on a regular basis. Persistent transgressors will be notified of their transgressions as well as possible embargoes imposed on the transgressor.*

*The Salon Director and the judging team for that category will decide on the replacement images for the Medals and COMs in line with the recommended acceptance levels."*

Please continue to support our National Salons. Please feel free to contact Corine Ross at [admin@pssa.co.za](mailto:admin@pssa.co.za) or Simon Fletcher at [sdfletcher66@gmail.com](mailto:sdfletcher66@gmail.com) for any further info on Salons.

## PSSA WEBSITE NAVIGATION CHANGES

# Photographic Society of South Africa

HOME ABOUT US ▾ JOIN US ▾ SALONS ▾ **COMPETITIONS ▾** JUDGES CLUBS ▾ INTERNATIONAL ▾ HONOURS AWARDS YOUTH ▾

# FROM THE DESK OF THE PRO

# Photographic Society of South Africa

To streamline the layout of the PSSA website and to make navigation a bit more logical, some changes were made to the main menu items.

Firstly, you will note that the RESULTS tab on the main menu is no longer there.

All the content of the RESULTS tab has been migrated to the COMPETITIONS tab.

All present and past RESULTS can now be found under the COMPETITIONS tab.

However, Past Salon results have been moved in under the SALONS tab.

The position of the main COMPETITIONS tab moved to the right of the main SALONS tab because the additional drop-down menus for past results require space to the right on any screen.

Salon participants will be happy to see that the entire Salon Calendar for 2023 is now also available under the SALONS tab just above the Salon Calendar for 2022.

The AV Division menu tab was also removed from the main menu as we no longer have PDI or Prints Division tabs on the main menu. The content was solely news and newsletters of the only AV club, AV Makers SA and has been moved back to Club News under the region they fall under, Northern Gauteng.

We hope you will find these changes beneficial and more logical to navigate. Feel free to contact the [webmaster](#) if you want to make any suggestions.

## PSSA YOUTH DIVISION FOR 2022

Anton la Grange, the Director in charge of the Youth Division for PSSA has put together lots of information in connection with all the competitions applicable for our Youth.

The dates, the info on the competitions etc. can be found in the Youth Programme Overview 2022 under the YOUTH tab on our website [here](#).

One of the new interesting competitions for the Youth that also ran last year, is the [website competition](#) every month, closing the same date as our monthly competitions 25th of each month.

There will be different themes for each month which is exciting and challenging, the theme closing on the 25th March is Monochrome (Open Subject matter).

Anton can be contacted for further info on [antonlagrange@gmail.com](mailto:antonlagrange@gmail.com) or on his cell phone 084 442 4442.

PLEASE SCHOOLS AND CLUBS WHO HAVE A YOUTH DIVISION VISIT OUR WEBSITE THRU THE LINK TO GET FAMILIAR WITH ALL THE COMPETITIONS.

### FINAL WORDS...

I was interviewed recently for one of our Club's Newsletters as the Club wants to promote to their members as much as possible about PSSA and why should clubs be affiliated to PSSA and why should members join. I found this very positive and encouraging that Clubs are doing this.

PSSA aims:

- to bring together all people interested in photography;
- to promote the highest possible standards of photography;
- to promote the interests of photography amongst all its members.

PSSA represents its members and fosters their interests at all levels.

# FROM THE DESK OF THE PRO

# Photographic Society of South Africa

The camaraderie involved at Club meetings/Outings, unfortunately recently due to the COVID situation, this dropped quite a bit, but it is one of the many positives of belonging to PSSA. It welds us all together as individuals and our clubs in all photographic efforts into one strong unit.

The challenges that we are faced with in entering the Salons, applying for Honours etc., is keeping this hobby of photography alive, even with the capabilities now of cell phones, and the new technologies with the latest cameras, it is to be recommended.

Photography creates wonderful memories for us all and when we see many of the memories shared on our social media platforms from time to time, it is, and I hope will continue to inspire, encourage but especially to enjoy this wonderful hobby of photography.

PLEASE ENCOURAGE YOUR FRIENDS, COLLEAGUES ETC., WHO LOVE PHOTOGRAPHY TO [JOIN PSSA](#). PLEASE ALSO KEEP SENDING US NEW IDEAS, NEW APPROACHES TO YOUR THINKING OF THE MANY WAYS FORWARD FOR OUR ORGANISATION.

Till next month, keep safe and healthy and enjoy your Photography.
