

EVELYN GIBSON, FPSSA, APSSA(Vers), EPSSA (Mille), EFIAP, ARPS.

Following my business career which was very much People/Communication orientated, I became involved in photography which is now over 17 years ago.

I served as President of Pretoria Photographic Society for two years, instigated and started Midrand Camera Club and served as President there for three years.

I have now served on the Board of PSSA for many years, firstly as Regional Director of Gauteng North and now as National Director in the position of PRO. In this Portfolio I am responsible for the Club winners Competition and the Web site image Competition, promoting PSSA when and where I can, communicating with our members thru the monthly newsletter and handling the queries from our members and directing them to the relative responsible persons within PSSA. I assist with our Magazine "Image" in the position of Sub-Editor.

I am very passionate about photography and PSSA and enjoy giving back to this wonderful hobby of ours. The position of PRO has given me the opportunity to fulfil my passion.

Thank you to all the members who have supported me.
