

Germa Hattingh CV

In my day job, I am the Executive Director of a national NGO that strives to make a difference in the lives of people on a daily basis. I am also the Senior Pastor at an all-inclusive ministry in Pretoria North. I have a servant-heart, I am passionate about people and they are my priority. Relationships, on every level, are extremely important to me.

I became involved with photography in 2011 when I joined Magalies Foto Fun Club. This has been a very exciting ride for me to learn more and develop my skills. I met some amazing people along the way and I cherish my relationship with them.

I served on the MFFC Committee from 2012. My first portfolio was that of PSSA liaison. This made me really understand and appreciate the work that PSSA is doing and I quickly became passionate about PSSA. I served another 2 years as Vice-Chairperson and I am currently the Chairperson at MFFC.

I actively take part in national and international salons and also regularly judge at clubs and in salons. My photographic achievements consist of:

2012 – PSSA 7<sup>th</sup> Up & Coming Competition Winner

2014 – LPSSA

Various medals nationally and honorary mentions internationally

I enjoy nature/wildlife very much but if I have to choose my favourite genres, it would be landscapes, altered reality and fine/visual art.

I am a firm believer of the 'Umuntu Ngumuntu Ngabantu' lifestyle – a person is a person because of other people. We need each other to fully be who we were meant to be.

Thank you for your confidence in me.
