

VELDDRIF PHOTO

24 – 29 September 2006

Only 90 minutes from Cape Town on the R27, the seemingly remote town of Velddrif will be host to the 2006 PSSA ANNUAL CONGRESS AND WILDLIFE CONVENTION. Here life drifts on giving you time to unwind, to relax, far from the madding crowd, noise and traffic and to surround yourself with and photograph the wonders all around us.

Our venue will be the Town Hall and the Riviera Hotel on the banks of the meandering Berg River. A photographers mecca, wader hotspot with fishermen, fynbos, bakkoms and beaches - this is what life is about!

Join us for a week of photographic "relaxation" with sunrise & sunset photo shoots, lectures and workshops, art, craft, good food, good company and good fun. Everyone is welcome.

Interactive Programmes & Workshops

(subject to change)

Each afternoon you have a choice as to which interactive programmes and workshops to attend. They do overlap so you need to choose carefully as you obviously cannot book for more than one at the same time.

Space is strictly limited to ensure a proper hands-on experience and therefore it is necessary to book early. Places will be allocated on a first come first served basis and will only be confirmed once full payment of congress fees and additional fees, where relevant, have been received. Only fulltime delegates may register for these programmes. Please use the code numbers given and fill these in on the registration form. Where you do not wish to attend any interactive programmes at a specific time please write "none".

The majority of these programmes are at no additional cost to the delegate however there are a number which do require additional payment, to cover materials, as indicated below.

This is a provisional programme - updates will be posted on our website as soon as it is up and running. Further info regarding workshop details will also be posted on the website. In the meanwhile check for further info at www.pssa.co.za
