

PSSA AWARDS INFO SHEET – OCT 2020 INFINITY AWARD

Infinity Award

The purpose of this award is to enable a club to honour its current top class photographic workers.

This award is made to club members by clubs, not by PSSA. PSSA does not lay down rules for awarding this insignia, as this is essentially a club matter.

The only guidelines when a club is drawing up its required standard for its members to achieve, is to remember that this is a national recognition of top class current photographic workers. It is not intended for service to the club.

This award may only be made to members who are full members of PSSA.

The award is in the form of a certificate and an electronic copy is mailed to the club who should then have it printed on a good quality board.

Clubs should apply to Francois Venter venter2@icloud.com for the certificate.
