APSSA for Service - SPSSA

An APSSA for Service, to be known as SPSSA, may be awarded at the discretion of the Honours Division and the Board of Directors to an applicant sponsored by a Director.

The nominee should be a member of long standing who has actively served PSSA in an outstanding manner putting photography and PSSA before his personal aims and ambitions.

It is recommended that the nominee should already previously have been awarded the gold, silver & bronze service medals.

While the criteria for the service award could include national and international judging, exhibiting and lecturing, photographic ability is not the prime element.

Any member is eligible for the APSSA for service and does not need to be a holder of an existing honour.
