

## INTERNATIONAL SALON PATRONAGE FROM FIAP

If you have decided to apply for patronage for your International Salon from FIAP you must be sure to have everything in place well in advance of their required 5 month lead time. This will ensure that you will have time to correct any errors with time to spare.

Also be aware that there are additional rules pertaining to FIAP Patronage, be sure that you have read all the relevant documents which can be found here

Your first action though is to follow the PSSA National Salon procedures so that you have a time slot and a PSSA patronage number.

In order to apply for FIAP patronage you must first create a profile on the FIAP portal

Once you have done this you can complete your application on line.

All the information you need to do this is available in the tutorials which are available at this link
