"Golden Globe" by Danica Del Rio Maree from Zwarrie PC

I am a scholar at Zwartkop High School and am currently in Grade 9

The light globe in my bedroom burned out, so my dad replaced it. I thought the old globe he took out would make an interesting photo opportunity. I placed the globe on the table of a dark room using a head torch to illuminate it with a strong directional light, trying to create dramatic shadows and highlights, enhancing its features.
