“Fisherman” by Nell Janse van Rensburg from Paarl Girls’ High

I am a scholar at Paarl Girls’ High School and am currently in Grade 11.

This image was captured during a visit to Kalk Bay in March 2024, one of my favourite places to photograph. I am always captivated by the hardworking fishermen, tirelessly going about their routines under the afternoon sun. Their way of life intrigues me, offering a striking contrast to the structured world I come from.
