

## PhotovaultOnline.com Integration with the PSSA Member Zone

To get a true reflection of PSSA members participating in Salons at a discounted price, an interface between the PSSA Member Zone and PhotovaultOnline.com will be implemented from 19 May 2024. Also, if members then make changes to their data on PhotovaultOnline.com, it will automatically update on the PSSA Member Zone.

For a PSSA member to participate in a Salon, you initially need to **authenticate** your PSSA Member Number (only once) using your Member Zone Login Credentials.

There are 2 places in PhotovaultOnline.com where you can authenticate your PSSA Member Number.

On the Salon entry screen.

The screenshot shows a form with the following elements:

- A text input field for "PSSA Member No".
- A red text prompt: "Want to use your PSSA Member Number to qualify for the discounted price? Click [here](#)." A red arrow points to the "Click here" link.
- An "Entry Cost" section: "PSSA members: R50 per category for all 3 salons comprising the circuit. Non-PSSA members: R100 per category for all 3 salons comprising the circuit."
- A "ProofOfPayment" section with a "Browse..." button and the text "No file selected."
- An information icon (i) in a purple circle in the top right corner.

OR

On the "My Details" screen.

The screenshot shows a form with the following elements:

- "Club Star Rating" with a dropdown menu set to "5".
- "PSSA Member No." with a text input field.
- An "Authenticate PSSA MemberId" button. A red arrow points to this button.
- "Landline Phone Number" with a text input field.
- "Mobile Phone Number" with a text input field containing "+8618925245712".

The authentication screen will pop up on top of the current screen (as in the below screen capture), so your workflow will not be lost (just interrupted).

The screenshot shows an authentication modal window overlaid on a background page. The modal has the title "Authenticate PSSA Member Id" and contains:

- A text input field for "PSSA Member No.:". A red arrow points to this field.
- A text input field for "PSSA Member Zone Password:". A red arrow points to this field.
- An "Authenticate" button.
- A "Terms and Conditions" link.
- An "Update Details" button.
- A note: "If you do not know your PSSA Member Zone password, first set a new password on the PSSA Member Zone. Click [here](#) to open the PSSA Member Zone."
- A "Finalise My Entry" button at the bottom right.

The background page shows a list of "Participating Salons" and a "The maximum number of entries allowed is 12" notice.

Once authenticated, this step will only be needed if found that your membership has temporarily lapsed.

So, once authenticated, you will only see a message like in this screen capture from the 2024 National Print Salon Circuit when you want to participate in a Salon:

The Salon will be conducted within the requirements and practices as prescribed by PSSA.

**Participating Salons:**  
Western Cape National Print Salon - Salon Director: Lesley Parolis  
Garden Route National Print Salon - Salon Director: Paul Rixom  
Eastern Cape National Print Salon - Salon Director: Charmaine Joubert

PSSA Member No   
(Account Active and Authenticated)

**Entry Cost** PSSA members: R50 per category for all 3 salons comprising the circuit. Non-PSSA members: R100 per category for all 3 salons comprising the circuit.

**On a technical note:** Every time you open the Salon Screen, the system will make sure that you are still an active PSSA Member. If the previous call to the PSSA Member Zone was done less than 24 hours ago, it will assume you are still a member. If it is more than 24 hours ago, it will automatically call the PSSA Member Zone and ask for confirmation, but you will not be aware of this call unless your membership has expired since the previous time you participated in a salon.

**BENEFIT FOR MEMBERS:** On the “My Details” Screen, an authenticated member has the option to synchronise some data between the PSSA Member Zone and PhotovaultOnline.

### Update My Details

Fields with \* are required.

Password  (leave blank for no change)

Repeat Password

Account Type My Personal Account

Firstname \*

Lastname \*

Birthday  -  -  (Day, Month and optional Year)

Email Address \*

Honours

Club Star Rating

PSSA Member No.  (Account Active and Authenticated)

The button on the top right will only be available for authenticated members.

**Note.** If you have been successfully authenticated, the Honours Field in PhotovaultOnline will automatically be updated with your official honours in the PSSA Member Zone. As an authenticated member, you will not have the option to override the honours field in PhotovaultOnline.

The following data can be synchronised between PhotovaultOnline and the PSSA Member Zone:

# Photo Vault Online

In the above example, I noticed that my Country on PhotovaultOnline is still showing South Africa while I am currently living in China. I therefore selected the sync arrow (see the red dot) to move the PSSA Country over to PhotovaultOnline.com. I also prefer to use the email address that I always use on PhotovaultOnline.com, so I clicked on the sync arrow (see the red dot) to move my PhotovaultOnline.com email address over to the PSSA Member Zone. Click on Synchronise (bottom left) to let the changes synchronise.

As you can see, the honours fields are already the same. It is not a clickable option; it will always update the PhotovaultOnline.com system with the official PSSA Honours list during a sync process. If a member receives extra honours in the future, he can use this synchronise screen to update PhotovaultOnline.com from the PSSA Member Zone. **Note:** If you have honours from other international photographic organisations and it does not show here, please contact [PSSA Admin](#) to rectify it on the PSSA Member Zone.
