"Rustic radiance" by Danica Del Rio Maree

I am a scholar at Zwartkop High School and am currently in Grade 9

I approached my task with meticulous care. With each deliberate movement, I carefully arranged each leaf to create a masterpiece that would rival the original. I stepped back frequently, my eyes scrutinizing every detail, making minute adjustments until my vision was brought to life before me. The continuous gusts of wind tried to disrupt my focus, but I persevered, adapting to the challenge. With each shot came a different photo capturing the beauty of nature's artwork, frozen in time.
