“ Nature - Little Bee by Haydn Mc Clure

I am in Gr.10 and in Ashton College Ballito

I went on a normal Sunday morning birding with my Dad to Mount Richmore in Ballito, and came across a group of little bee eaters actively feeding, and we decided to spend about 2 hours watching them and trying to get a photo of one of the bee eaters throwing a bee into the air.

I had to use a packet of wet wipes to stabilise my lens, because I forgot my bean bag at home.

I am very happy with the result I got.
