### **EDITORIAL**

The response to the proposed Cape Forum of Photographers has been such that we can definitely go ahead.

The inaugural meeting to establish the forum and decide on a name will be held in Calitzdorp on Saturday 20 March 1999 and will form part of a long weekend photographic congress.

Attached are Registration forms, accommodation details and a provisional programme.

Please encourage your members to attend, the bigger our group the stronger our voice.

We have decided to ask for a R50-00 membership fee per club and a R15-00 membership fee per individual or couple who do not belong to a club. These fees are due now and cheques should please be made payable to the Port Elizabeth Camera Club. At the congress we will need to elect a treasurer and thereafter all

decisions regarding fees and payments thereof will be handled by the treasurer.

Sponsorship is always helpful when running a congress, but not always easy to find. If there is anyone who can assist with sponsorship of any sort for the Congress please will they contact me directly.

Our intention is to make the congress a viable option for everyone and therefore we have kept the costs as low as possible, I am sure that you will agree that R150-00 per person for the weekend is a reasonable price especially when considering that it does include 3 lunches, 3 suppers and at least 3 teas. Accommodation too is available at very reasonable rates. Any sponsorship received will be passed on directly to the delegates.

Not all clubs responded to my original letter, if yours is one, do not worry, you are still welcome to join, we do hope that all clubs will participate. It is not a requirement that a member of your club serve

on the committee, so please do not let that aspect deter you from joining.

We originally considered holding an Interclub Competition at the Congress but have changed this to an Interclub exhibition where each member club will be asked to show some of their members work. More details will follow later.

At the annual PSSA congress this year it was agreed that each region would be permitted to elect its own regional Director of PSSA, (1 each for the Eastern and Western Cape) this is a welcome move and will ensure that our voice is heard. Please consider this matter prior to the Calitzdorp weekend as we will be calling for nominations and taking votes at this time.

Please complete the attachment and return to P.O. Box 5060, Walmer, 6065, together with your cheque covering the membership fee.

Jill

19 - 22 MARCH 1999

## VENUE

CALITZDORP is, as described in the Reader's Digest Illustrated Guide "Even in a part of a world as full of contrasts as southern Africa, the area known as the Little karroo is unique. This is the country of the ostrich, a place abounding with wildflowers, leopards and strange, highly coloured rock formations, where every horizon is filled with mountains. Little rain falls, but the soil is irrigated by a network of sparkling streams flowing down from the highlands", truly a photographers paradise.

## OUTINGS / WORKSHOPS / LECTURES

As this is a photographers weekend plenty of time and consideration has been given to photographic opportunity. Outings have been arranged to the most picturesque spots at the best time for the best light. There is plenty of variety to suit everyone and assistance will be available throughout the weekend.

The lectures and workshops are designed to help you get more out of your photography. Further information is available as per the registration form.

## ACCOMMODATION

A large variety of accommodation is available in and around Calitzdorp at various Guest Houses, Guest Farms, Lodges, the Spa and the Caravan Park.

Bookings must be made directly with the establishment concerned and should be made as soon as possible as Calitzdorp is a popular resort town. Further information regarding Bed and Breakfast establishments and caravanning can be obtained from Bridgette Pacey-Tootell, 5 Miller Street, Calitzdorp, 6660.

## REGISTRATION FORM & FEE

Please complete the attached form and return it as soon as possible. As this is a new venture we have no idea or who or how many to expect which obviously plays havoc with bookings and catering. We therefore ask that you please register as soon as possible. Postdated cheques (up until 20 March 1999) are acceptable.

Please register by 1 March at the absolute latest. All registrations made after this time will attract a R25-00 excess charge.
