

Des van Tonder APSSA - REGIONAL DIRECTOR KZN

It's truly an honour to serve the KZN photographic community.

I love that each club has its own unique personality and energy, and I'm looking forward to visiting them all. Along the way, I hope to spend more time capturing some of my favourite genres — Sport (action and portraits), Mono and High key.

And of course, no journey is complete without a little fun, plenty of inspiration, and some good coffee!

Note from the PSSA webmaster:

Des is the person responsible for all the headers and other PSSA-related banners on the PSSA website. Although she runs a business, she creates all these banners free of charge, mostly at short notice, but very effectively, sticking to the main colours of the current PSSA logo – thank you, Des!
